Approval of Minutes

- Minutes were approved without modification for June 7, 2017.

Old Business:

- Policy Audit
 - Workshops were held on July 6 and 25 to audit the 100 level policies. There are four remaining 100 level policies. The committee will review recommended revisions and changes to the 100 level policies during the September meeting.

New Business

Policies for Review –

- Policy 246 – School Wellness
Policy 246 is on hold. The district is awaiting information pertaining to additional federal changes affecting Policy 246.
- Policy 808.1 – Charging Against Cafeteria Accounts
PSBA is encouraging districts to review locally developed procedures for the payment of student school meals and the methods used for collecting unpaid school meal charges. The USDA Food and Nutrition Service recently released a resource guide for schools to use in addressing unpaid

meal charges. The district will review the policy and USDA resources.
Possible revisions will be discussed at the next policy committee meeting.
