- The \* denotes the time to log onto WebEx for the lesson/activities. All links can be found on our Google Classroom page. **Please log onto WebEx promptly. You may not have to be logged on for the entire time each day.** Some of the time listed may be to complete work that is introduced in the lesson.
- **Attendance is required for live WebEx meetings.** Daily attendance will be taken and work completion recorded. Please hand in all assignments as listed in Google Classroom.
- Small group instruction will occur soon and schedules will be determined after assessments are completed. I will do my best to schedule the times while we have our live WebEx time or directly after so the students can just stay on WebEx for their small group.
