

Dear WAVE Students and Families:

We hope this communication finds you all healthy and well and looking forward to the new school year. The purpose of this communication is to provide information related specifically to the WAVE program, as we prepare for our first day of school, Monday, August 31, 2020.

Textbooks & Class Materials: All JSHS WAVE students were asked to return their textbooks from the 2019-2020 school year the week of (8/24-8/28) in the main lobby of the Junior/Senior High School, Monday through Friday between 8:00 a.m. – 3:00 p.m.

Pick up of this year's materials will be arranged through Sign-Up Genius. The Sign-Up Genius link will be emailed to parents within the next couple of weeks. Please access the link to schedule your pick-up time for textbooks and materials for the 2020-2021 school year.

Start of the School Year: On the first day of school, August 31<sup>st</sup>, all WAVE students will log-in to their Homeroom Schoology Course, to view the welcome link and gain access to important information. Students will log-in to their first period class by 8:22 a.m. Students will be receiving a WebEx invitation from each of their teachers through their calendars located on their iPad Home Screens.

Please see the below link for the First Day of School Schedule & the Regular School Day Schedule:

[Bell Schedule](#)

Homeroom: Students will be required to “check in” to homeroom each day by answering an attendance question located in the “Homeroom” course on Schoology. Items you would have normally received in homeroom such as your Student Handbook and Emergency Contact forms are provided in the links below. Hard copies can be obtained from the front office at the JSHS upon request.

[Health Services Forms](#)

PowerSchool and Class Schedules: All students should have received an email from the technology department explaining the process of how to log-in to PowerSchool to access class schedules. Starting on Tuesday, September 1st, WAVE students will follow the Hybrid A cohort and their class schedules on Mondays and Tuesdays, and they will live stream all classes beginning at 7:34 a.m. and ending at 2:15 p.m. All course materials and access to live streaming will be communicated through Schoology.

Wednesdays are check-in days and students will be logging-in with their teachers for 15-minute segments beginning at 11:30 a.m. until 2:15 p.m. You can find the Wednesday schedule, as well as the first day of school schedule in Dr. Jones' parent email sent on Friday, August 21st. Asynchronous lessons should also be completed on Wednesdays, in addition to the check-in sessions.

Thursdays and Fridays will be asynchronous days in which WAVE students will work on lessons and activities assigned by teachers.

Students should be checking their school email and their Class Schoology pages daily.

Thank you for your continued support and partnership in your child's education.  
Jen Mangold
