

GRADE 5

Welcome to WREC,

We are excited to start our 20-21 school year. Although things are not as we had hoped to start the year, I am confident we will make the best of the situation! I am excited to start the school year with you as your homeroom teacher for WAVE, Wyomissing Area Virtual Education.

All students, please login to **WebEx at 8:15 am Monday, August 31** (the first day of school). You will find the WebEx invitations on your WebEx app on your iPad. If you are prompted to update the app or allow the camera or microphone, please do so.

Parents, we will have a [pickup at WREC of needed materials this Thursday and Friday, August 27 and 28 from 9 am – 3 pm](#). This is also a good time to ask any questions you may have. I will be in the building, and Mrs. Tetley, in our main office, is a great resource of information who can also answer any question you may have. Included in the materials is your student's everyday schedule. I will review this with them on Monday and every day for the next few weeks to get them acclimated. There is also an important sticker in the agenda that contains the student's personal email and password .

I put together a brief WREC welcome message for families. Please take a look...

If you are having technology issues (including needing passwords, etc.) please contact one2one@wyoarea.org Mrs. Newton can best support your technology needs as we teachers do not have access to most knowledge and resources that Mrs. Newton can access.

Have a great remainder of the week! I am looking forward to getting to know all of you very soon!

Mrs. Nancy Boyer
